

A woman with long brown hair is standing on a red brick path. She is wearing a wide-brimmed straw hat with a black and white geometric pattern. Her outfit consists of a white long-sleeved button-down shirt with lace detailing on the chest and sleeves, white lace-trimmed trousers with a scalloped hem, and black strappy high-heeled sandals. She is holding a small black and white striped clutch bag. The background features a lush green hedge and a tree with yellow flowers.

CARIBBEAN CRUISE

Get ready to explore on a Caribbean Cruise in Spring 2024 - Tropical vibrant hues set the mood with heavy emphasis on shades of green. Playful stripes and conversational prints create a sense of nautical exuberance while lace up details, naive embroideries, and ruffled textures give a one-of-a kind expression to garments. Loose tunics and kaftan inspired tops are paired with lightweight bottoms.
